

UK GLOBAL SUPPORT NETWORK

Fact sheet

UNITY, PROGRESS AND GOOD GOVERNANCE

UK Global Support Network (GSN UK Chapter) is a non-partisan, not-for-profit good-governance organisation headquartered in Kent. We bring together people of every background who believe that how we are governed shapes every part of our lives.

Our vision

A world where every community is governed with integrity, accountability, transparency and fairness, and where every citizen, including diaspora and ethnic minority communities, has a real voice in how they are governed.

Our mission

To galvanise, educate and organise people to support good governance at every level, by promoting accountable leadership, preparing credible people to serve, and holding power to account through lawful, peaceful and evidence-based action.

Our aims

- **Good governance:** Promote integrity, accountability and transparency in public life at every level.
- **Representation:** Support members who are eligible under UK law to stand for election at parish, council, mayoral, devolved and national level.
- **Inclusion and diversity:** Make sure diaspora and ethnic minority communities have a real voice in public decisions.
- **Civic education:** Help people understand how government works, how to take part and how to make their voices heard.
- **Evidence and accountability:** Use facts, research and lawful scrutiny to hold those in power to account.
- **A global network of chapters:** Grow a family of chapters around the world that share our values and support one another.
- **Unity and welfare:** Look after our members and communities, and build unity across backgrounds and beliefs.

Our values

Integrity · Accountability · Transparency · Inclusion and Diversity · Fair Representation · Service · Rule of Law and Non-violence · Excellence
